If selected for the **2010 Leadership Ashe** program, I will do my best to attend the retreat, all sessions and the graduation event. I understand that if I am unable to attend all sessions, I may be asked to attend some alternate meeting as a makeup session in order to qualify for graduation. I also make my commitment to fellow classmates for the additional time required to complete the Leadership project.

Business/Organization \_\_\_\_\_

**Leadership Ashe** is a partnership effort involving several local and regional organizations. The Ashe Chamber of Commerce is the lead sponsor and is responsible for overall coordination of the program and the selection of participants.

Other organizations that are participating in the effort include: Ashe County Economic Development Commission, Blue Ridge Electric, and Wilkes Community College. These supporters have provided resource people who assisted in the design, development and implementation of the program. Many other organizations and businesses are involved in the program as host locations, tour sites, session speakers and panelists.

Most importantly, past graduates of Leadership Ashe have been instrumental in the design and implementation of this year's program. It is through their work and dedication that the leadership program continues to remain relevant to changing times and an ever-changing economy.

As a graduate of **Leadership Ashe**, you will be encouraged to join the Leadership Ashe Alumni Association and to participate in the design and programming of future classes, along with assisting in the creation of networking opportunities for other alumni. Graduates are encouraged to become more involved in the community by joining civic groups, public boards, and the Ashe Chamber of Commerce.
